**11<sup>th</sup> World Championship Boat Angling Clubs  
from 13<sup>th</sup> to 20<sup>th</sup> October in Lampedusa (Italy)**

Welcome, dear angler friends

I am delighted to express on my name and on behalf of the Italian Sport Fishing and Underwater Activities Federation (FIPSAS), the best greetings to all participants at this World Championship that this year is going to take place from October the 13<sup>th</sup> to 20<sup>th</sup>, in the beautiful island of Lampedusa.

I am sure that all the athletes present, who will join Lampedusa as well as all the managers, judges and stewards will find a way to explore and appreciate our beauties and enjoy the hospitality of the Sicilian people and all those who have all done efforts to organize this important sport fishing event.

I am particularly delighted to express my warmest welcoming to all in the aim to live together some happy days in the name of sport.

A special “good luck” to all Judges convened to manage this race, in the certainty of their professional and fair commitment they have also expressed in precedent occasions.

Finally, I wish to thank the hosting Organizers, the local authorities and all journalists for their support and contribution for this event’s good success.

Welcome, dear angling friends.

Both personally and on behalf of FIPSAS Surface Fishing Division — which I am honoured to chair — I am pleased to extend my warmest and heartfelt welcome to all the participants in the 11<sup>th</sup> World Championship Boat Angling Clubs it will take place on the beautiful island of Lampedusa, from 13<sup>th</sup> to 20<sup>th</sup> October 2018.

I wish to thank the Organising Committee, the city Mayor, the political, religious and administrative Authorities and all the reporters of the different mass media involved for picking up this challenge enthusiastically and for helping ensure the successful outcome of the event.

In addition to welcoming you all, together with the Italian Federation, I wish you all a most successful competition, regardless of the mere competitive result.
