MENSAGEM DO PRESIDENTE DA FPPDAM

Depois do sucesso na organização de vários eventos internacionais, mais uma vez a FIPS-M confiou em Portugal e na Federação Portuguesa de Pesca Desportiva do Alto Mar (FPPDAM) para a organização de competições Mundiais na cidade de Setúbal de 15 a 22 de setembro de 2018, o 54º e o 18º Campeonatos do Mundo de Pesca em Barco Fundeado nas categorias de Seniores e Sub 21, respetivamente.

A FPPDAM tudo irá fazer para não quebrar as vossas expectativas e certamente se irão recordar por muito tempo da nossa qualidade organizativa, do nosso acolhimento e hospitalidade, da nossa gastronomia e especialmente da nossa amizade.

Este é um dos primeiros passos para concretizarmos esta organização e, fruto de experiências anteriores, estamos certos do trabalho e das dificuldades que nos esperam, mas com dedicação e espírito de sacrifício de todos, certamente iremos chegar ao sucesso que almejamos superando a qualidade exibida em edições anteriores.

Setúbal dispõe de todas as condições para a organização destes eventos caracterizando-se pela riqueza da sua fauna, condições atmosféricas estáveis e um bom conjunto de embarcações dotadas de tripulações muito experientes.

Para além da competição propriamente dita iremos organizar um programa social destinado aos acompanhantes para que possam conhecer e desfrutar da cidade de Setúbal e da beleza da região. Também será organizado um passeio a alguns locais de interesse em que poderão participar os atletas, como consta do programa deste campeonato.

Pretendo deixar uma palavra de muito apreço a todos os nossos colaboradores, parceiros e patrocinadores que serão fundamentais para a consecução dos objetivos a que nos propomos.

Bem-vindos a Portugal e a Setúbal

Carlos Vinagre, Presidente da FPPDAM

The FPPDAM will do everything to satisfy your expectations and you will surely remember our organizational quality, our good reception and hospitality, our delicious food and especially our friendship.

This is one of the first steps to carry out this organization and, as a result of previous experiences, we know the work and the difficulties that will appear. But we think we are able to surpass the quality displayed in previous events and achieve the success we desire with dedication and hard work of all.

MESSAGE DU PRÉSIDENT DE LA FPPDAM

Après l'organisation réussie divers événements internationaux, même mondiaux, la FIPS -M a confié encore une fois au Portugal et à la Fédération Portugaise de Pêche Sportif en Haute Mer (FPPDAM) l'organisation des compétitions mondiales à Setúbal, les "54th and the 18th World Championships Boat Angling", seniors et U21, du 15 au 22 Septembre 2018.

Le FPPDAM fera tout pour répondre à vos attentes et vous souvenez sûrement de notre qualité d'organisation, de notre bon accueil et de l'hospitalité, notre délicieuse nourriture et surtout notre amitié.

C'est l'une des premières étapes pour mener à bien cette organisation et, à la suite d'expériences antérieures, nous connaissons le travail et les difficultés qui nous attendent. Mais avec dévouement et le sacrifice de tous, nous allons certainement atteindre le succès que nous désirons dépasser, la qualité affichée dans éditions précédentes.

Setúbal a toutes les conditions pour l'organisation de ces événements en raison de la richesse de sa faune, de bonnes conditions atmosphériques et une bonne série de bateaux équipés avec des équipages très expérimentés.

Cela signifie qu'ils peuvent connaître et profiter de la ville de Setúbal et la beauté de la région. Il sera également organisé une visite à certains endroits d'intérêt dans lequel les athlètes peuvent participer, comme indiqué dans le programme du championnat.

Je veux laisser un mot de remerciement à tous nos collaborateurs, partenaires et commanditaires, qui seront essentiels pour atteindre les objectifs que nous nous sommes fixés .
