## **WELCOME BY THE PRESIDENT OF THE WELSH FEDERATION OF SEA ANGLERS, ROBBIE ROBERTS**

It is my pleasure, on behalf of the Welsh Federation of Sea Anglers, to extend a hand of friendship and welcome you to the 35th Men's and 26th Ladies - World Shore Angling Championships and to Conwy County in North Wales.

The WFSA takes great pride and honour in being entrusted by FIPS-M, to organise and host this prestigious competition, our task is to make the event and your visit a memorable one for all the right reasons.

If the joint efforts of Helen and Clive Pearce, Pete Corker and the Events Team from Conwy County Borough Council are anything to go by, then we are in for a marvellous event. All we need now is for the weather to be nice and the fish be present in numbers.

**ROBBIE  
ROBERTS**

I hope you enjoy the stunning and beautiful scenic surroundings, also the various cultural and heritage sites, other outdoor activities or local amenities. If that does not appeal, there is always Retail Therapy – shopping!

I looked forward to your arrival, which won't be too long now.

**Robbie Roberts**

## **WELCOME BY THE CHAIRMAN OF THE WELSH FEDERATION OF SEA ANGLERS**

Fellow anglers and visitors, as Chairman of the Welsh Federation of Sea Anglers, it is an honour and it also gives me great pleasure, on behalf of the Federation and its members, to welcome you to the northern part of this great country of ours for the World Shore Angling Championships of 2018. I hope that you all will fish with great competitive effort but also with a true spirit of sportsmanship in a fair and equitable manner so that the angling competition will be enjoyed by all the participants and their supporters. The organising committee of the Federation, led by Helen and Clive Pearce, in conjunction with their counterparts from Conwy County Borough Council have worked hard over the years leading up to this event to ensure that it will be the success it is going to be. Staging this event would not be possible if it were not for their and their team's diligence and for the support from Conwy County Borough Council and our other sponsors. So, let's honour their efforts by cooperating with each other in a friendly rivalry between nations for the duration of the competition so it is enjoyed by one and all without exception.

**JOHN  
O'CONNOR**

While you are here, not only do I wish you all the best in the competition but I also hope that you will take time out to visit some of the truly outstanding locations all around you in this beautiful area of North Wales and that you will engage with the local populace who will welcome you with open arms as they do all visitors and tourists to their own unique region of Wales. I also hope that we have ordered suitable weather for the duration, but without it, in its various guises Wales would not be as beautiful as it is. Often it is said, "There is no such thing as bad weather, just inappropriate clothing".

So, tight lines to all the competitors from every country, may we all go forward and have a great championships.

**John O'Connor**

## **WELCOME BY THE CONWY COUNTY BOROUGH COUNCIL CABINET MEMBER FOR ECONOMY**

**COUNCILLOR  
LOUISE EMERY**

On behalf of Conwy County Borough Council I'm pleased to welcome you all to Llandudno to the World Shore Angling Championships 2018.

In recent years we've attracted many world class events to the county such as Wales Rally GB as part of the World Rally Championships, International U20's Rugby in Stadiwm ZipWorld in Eirias, World Mountain, and World Trail Running Championships in Betws y Coed and Llanrwst, and we're very excited to now have the best anglers in the world to our shores, a warm Welsh welcome to you all.

I would like to thank the Welsh Federation of Sea Anglers for working with us during the past few years in preparation for these championships, as well as teaching us a thing or two – another plus point in the variety of events we host is that we learn along the way, such as on this occasion the fish species in our shores. Plus a special thank you to all our sponsors, your support is very much appreciated.

In between the friendly rivalry I hope you'll have time to relax and enjoy our Victorian town and the surrounding area, and we can tempt you to return in the future to experience the endless adventures on offer and mouth-watering delights.

Good luck and enjoy.

**Louise Emery**

**BORE DA  
GOOD MORNING**

## WELCOME TO WALES.

Wales is an ancient landscape, with thousands of years of history and myth wherever you look. We speak a language that's a living link with King Arthur and our Celtic ancestors. It's a land of majestic mountains and mighty skies, fringed with a famously beautiful coastline. But it's also a land of epic thinking and high adventure. Everywhere you go, there are bright new ideas, in very old places: zip wires, mountain bike trails, inland surfing – and the world's first complete coastal path. In 2018 Wales celebrates its coastline, with new epic experiences all around its shores. This is the Year of the Sea. Discover beaches, harbours and islands along the Wales Coast Path, and explore the rivers and inland shores of Wales's lakes. Add a warm Welsh welcome and culture for the greatest coastal experience of 2018. Welcome to our epic shores. #Findyourepic

### Discover the best of North Wales.

Legendary in every sense of the word. Actually, it's much more than a visit to Conwy. Wales's finest medieval town – complete with a world-famous castle and ring of ancient walls – is just for starters. It's next door to Llandudno, Wales's premiere seaside resort, and some of North Wales's loveliest, greenest countryside. Conwy's characterful quayside and the sands of Llandudno and its neighbouring resorts first catch the eye. But venture inland and you'll find a mix of forest, vale, lake, waterfall, moor and mountain, a varied landscape that appeals to serious outdoor enthusiasts up for a challenge and families or couples looking for a laid-back, relaxing break.

This coastline has been popular since the early days of tourism. Llandudno, the undisputed 'Queen' of the Welsh resorts, is a rarity. In a time when other British seaside resorts have lost their way, Llandudno retains its period charm and atmosphere. Mind you, it's no museum piece – modern venues and attractions integrate seamlessly with its Victorian and Edwardian fabric.

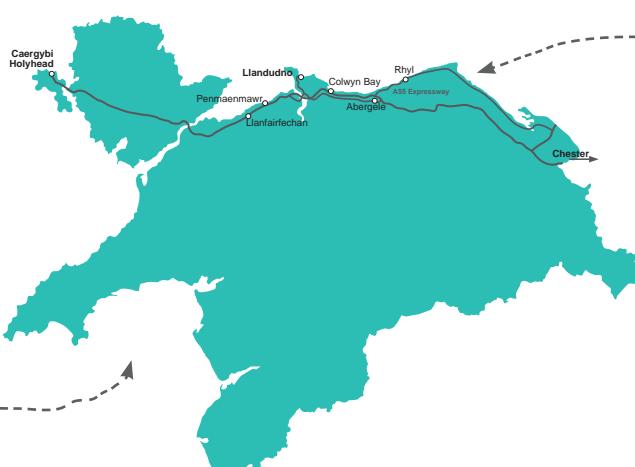

Nearby Conwy, in contrast, is one of Europe's best-preserved medieval towns, with a World Heritage castle thrown in for good measure. A little further westward brings you to the charming low key resorts of Penmaenmawr and Llanfairfechan. In the other direction, Colwyn Bay is busy reinventing itself with a new beach and watersports centre.

Inland, the fertile Conwy Valley is a natural thoroughfare, flanked on either side by the mountains of Snowdonia and the moody moorlands of Mynydd Hiraethog.
